Undisputed Heavyweight Champion

A new market paradigm

- It's the brightest, lightest and smartest 30,000 lumen projector at 150 lbs

More efficient

- Smaller, lighter projector reduces shipping and handling costs
- Single phase power reduces set-up cost and complexity
- Ships with lamps installed requiring no lamp alignment

Intelligence you can count on

- At-a-glance source and status updates on lamp hours, voltage, temperature, warnings or errors, from the projector, your smartphone or web browser
- Integrated Near Field Communication (NFC) lets you track lamp information at the projector or while it's on the shelf
- Read lamp serial numbers and lamp hours on your smartphone with the Christie Connect app
